Mesa Verde Woodworks

Hi Dana,

Thanks for walking us through the space on Friday. Here is the quote for the reception desk and the two wall shelves we talked about. The full quote with our terms is attached as a PDF, and the cut list is attached as a CSV file for your contractor.

Item	Qty	Amount
Walnut reception desk, 72 x 30 in, with cable tray	1	$3,850.00
Floating wall shelf, walnut, 48 in	2	$570.00
Delivery and installation	1	$240.00
Total before tax		**$4,660.00**

Two things to decide before we cut wood:

- Finish: **matte oil** (our default) or satin lacquer, which holds up better to coffee rings.
- Grommets: two on the left side for the POS terminal, or one centered.

To go ahead, reply to this email or sign the attached quote. The price holds until November 30, 2026.

> Luis, great to meet you today. Could you send a price for the desk we sketched, plus two shelves for the wall behind it? We open the new location in January.

Mesa Verde Woodworks and Harborview Café are fictional, and so are the people and addresses in this message. It was written as sample data for pdfconversionapi.com and is released under CC0-1.0.
